Chapter 1 by Lynne Miller

so you may think its easy to get 20 subs, but your wrong it took me 6 months to get that many. but lets start from the start of my YouTube channel.

So I started off begging my mum for a YouTube channel, my mum (after 1 hour of begging) allowed me, so my first video was my kitten (he is dead now) it was about 20 years ago (I was 11 years old back then) I was not aloud to show my face so I decided to go gaming.

I chose Minecraft as a game because it had a high rating. now moving on to my first gaming video, my first video was on pixelmon with my friend called Frank.

I chose Squirtle as my first Pokemon. I started building my house with help from Frank.
